

suggested route at hunters?

Posted by bluemirage188 - 10 Sep 2013 08:38

ive ridden there a few times and always seem to be trying to re-create a ride that someone led me on there a year or two ago. I am from out of town, and usually only have afterwork during the week to ride while I am in buffalo. Im hitting up Dryer Rd Park near rochester on my way out from CT.

I usually find myself riding the wrong direction for maximum fun when im at hunters.

which route do you prefer for an after work ride?

much appreciated!
