Hiking/Equestrian Loop
Option 3**

- Recommended future general trail alignment
- Hiking/Equestrian Trail, Option 3 alignment
- Abandoned Trail
- Emergency Access Route

Note: Recommended future general trail alignment incorporates recommended trail reroutes. Trails recommended for closure are not shown on the map. Some alignments changed from Figure 3-2 due to location of tranquility trail. Trails indicated as abandoned would be deblazed and left off the map, but not actively closed.
